DECISION TO  
WITHDRAW THE  
HOLDING OF ABANDONMENT  
LICENSING & REVIEW

MAR 30 2000

Title: Pharmaceuticals for the Imaging of Angiogenic Disorders

This is in regard to the Notice of Abandonment mailed 11/02/99 for failure to file a timely response to the Commissioner Letter mailed 9/9/99 which set a statutory 30 day period for response. The abandonment is hereby VACATED.

On 06/22/99, a requirement to submit a statement with respect to Govt property rights was mailed to the applicant setting a 45 day waiting period before a formal requirement was made. Having received no response, a formal requirement, Commissioner's Letter, setting a 30 day time period for response was mailed 09/09/99. Again, having received no response, the application was abandoned.

A timely filed response submitted 10/21/99 was not matched with the file until only recently.

The abandonment has been vacated and the application is being forwarded to the assigned examining Group for examination on the merits.
